D. All items used by the Tenant and persons admitted to the home should be left in a state of good repair at the conclusion of the exchange/rental.

10. RIGHT OF INSPECTION

The Users will permit the Owners or the Owners' Agents, after 24 hours notice or without notice if there is an emergency, to enter the premises to examine the condition of the premises, furniture and effects.

11. ASSIGNMENTS AND SUBLetting

Tenants shall not sublet the entire premises or any part of the premises, nor shall they assign this Agreement to anyone else without first obtaining Owner's written permission. Approval for long-term visitors to stay in the house should be obtained from the Owner and the number of tenants who will be staying in the house should be discussed and agreed upon beforehand. Nurses or maids required to care for the Tenants during an illness are an exception from this provision.

12. SECURITY

They acknowledge that they will be responsible for and pay any damage done by rain, wind, hail, tornadoes, etc., if this damage is caused by leaving windows open, allowing stoppage and/or overflow or water and/or sewage pipes, broken windows or doors, torn screens, broken door and window locks, etc., or any damage caused while Tenant has occupancy.

14. PETS

Pets are allowed on the premises only by obtaining the Owner's written permission first. "Pets" does not include animals trained to serve the handicapped, such as seeing-eye dogs, hearing dogs, or service dogs. These animals may be housed on the premises so long as they are in the direct service of those they were trained to serve and so long as Owner is notified in advance in writing of the circumstances.
